ADVERTISEMENTS 92

Last August, a few weeks before returning to school for the beginning of our senior year, we were saddened by the announcement of the sudden death of Mr. George Jessup. He died of a heart attack at Camp Lawrence in New Hampshire, where he served as director for many summers.

Mr. Jessup was a vital part of Newton North for the past twenty-seven years. We knew him as teacher, coach, trainer, enthusiastic fan, and proud presenter of his teams at athletic banquets. We remember him as vibrant, concerned, and caring. He combined strong professional skills with a friendly disposition, and a willingness to reach out to all students. His commitment to our class and to our school can never be measured, and we feel his loss deeply. Our school is not the same without him.

With fond memories and lasting appreciation we proudly dedicate the 1988 Newtonian to Mr. George Jessup.

I N T R O D U C T I O N

Last Spring, the editorial staff and our advisor decided on two volumes for the 1988 Newtonian. Although the delay in receiving the second volume might cause some concern, we decided to create two volumes for an important reason.

A yearbook should be just that: a book which tells entire year. With traditional yearbooks, everything that happened after February was lost. This way, by having the second volume come out in the fall, the Newtonian will be able to capture the winter season, spring sports and events, the prom, and graduation.

So it is with many thanks for all your patience and understanding in the matter of the second volume that we, the staff of the 1988 Newtonian, present to you The Newtonian 1988, Volume I.

Dear Danielle,

You have always been the most joyous event in my life. You are courageous, sensitive, bright and have an incredible sense of humor. You chose to move to Boston with me during a critical time in your life, your senior year. I shall always be grateful to you. Seeing you adjust and develop into a glorious adult, I know you will be successful. Continue to dream great dreams, for you have the ability to achieve any goal you set.

Mom

*Best luck to our daughter Robbi. Congratulations
class of 1988.
